

2022 Webinar Series

The Wyoming Pipeline Corridor Initiative (WPCI)

FEATURING

About the Event

The Wyoming Oil and Gas Fair is pleased to present **Mr. Matt Fry** as a speaker for the Wyoming Oil & Gas Fair Virtual Series event. This webinar will focus on the Wyoming Pipeline Corridor Initiative (WPCI) which established corridors on public lands dedicated to future use of pipelines associated with carbon capture, utilization and storage (CCUS), enhanced oil recovery (EOR) and delivery of associated petroleum products.

Matt Fry

This event is FREE but registration is required

WED - JAN 19, 2022

FROM 1:30 PM TO 2:30 PM MST

Submit questions for the speakers during registration or email
